Evaluating Performance - Level B2 - 36h

A good performance at the workplace is everything, but a performance evaluation can be daunting. Using the right language to performance can help us through some tough spots. The lessons in this module take you through conversations about ambitions, promotions, and job frustrations during appraisals. You will learn range of language to help you evaluate a team member's performance, collaborate with colleagues and discuss future prospects and interests at the workplace.

Changes of Plan - Level B2 - 36h

Even the best plans won't work if we don't adjust them according to the situation. The lessons in this module will take you from hearing the news about a change to discussing how to adapt to the change and improve your plans. You will also talk about making presentations and expectations for training, which will also help you in the fast-changing world of work.
